

GRAPH 4 – SUM OF EXAM SCORE BY PERFORMANCE CATEGORY (PIVOT TABLE)

The pivot table displays the sum of exam scores for each performance level, with the "Medium" performance level having the highest sum of 225,584, followed by "High" with 129,921 and "Low" with 88,721. The higher Medium total is due to the fact that there are more students in that group and not necessarily because of higher scores.

Row Labels	Sum of Exam_Score
High	129921
Low	88721
Medium	225584
Grand Total	444226

Figure 1 : Medium performers contribute the highest total exam score (225,584), followed by High (129,921) and Low (88,721), with a combined grand total of 444,226 across all categories.
